Gail, Bob, Craig:

Could you all be available for a call tomorrow (Friday) at 11:00 am Pacific (12 noon Mountain) to catch up on Wallace Yard? In particular, I'd like to discuss the costs I sent out for the work already conducted on the railroad properties within the RUAs along with the Governments' proposal for completing the remaining work in these areas.

I will be unavailable next Mon-Weds, so I hope tomorrow can work for you. Please let me know either way.

Thanks.
